

Dear Parents

I am pleased to announce the Herbalife sponsorship of the Hattiesburg Youth Soccer Association for 2012-2013. Herbalife is the official nutrition company of such teams as the L.A. Galaxy, FC Barcelona, Valencia, FC Schalke, and many others around the world. In addition to those world class teams, Herbalife is also the official nutrition sponsor for the AYSO (American Youth Soccer Organization), which is the nation's largest youth soccer league. For a complete listing of teams and athletes, please go to www.herbalifesports.com.

As a Hattiesburg resident and Southern Miss alum, I am honored to provide your children with the same world class nutrition as the teams I previously mentioned. You can customize your young athlete's nutrition program by going to www.herbalife24.com. After selecting the right program, go to www.goherbalife.com/mattpeale and register for an account. Once approved, you will have access to every product Herbalife offers. 10% of the gross monthly sales will go back to the HYSA, and you will receive 5% off of each purchase you make. Enter the code HYSA during checkout to receive the 5% discount. You can also click on the Herbalife logo located on the HYSA homepage which will direct you to www.goherbalife.com/mattpeale.

I look forward to meeting everyone throughout the year and wish everyone a happy and safe season. Please do not hesitate to contact me with any questions.

Thank You

Matt Peale, CPT
